#### CHAPTER 3 NIGHTMARES

Kari sat in her bed with her little terror emeraldeye she heard about Hiccup's stories about alvin but she was having nightmares about it

every night she would have more and more nightmares about aling taking away his family and it started and ended in the same way

a wispering death droke threw the house floors attacked everyone and the alvin looked at her and said "Your next".

"Everyong breakfast!" Hiccup shouted as Cork ran in his red hair shining and his little blue t-shirt up going over his brown pants and Millsa came in with her blond curls bouncing

her favourite red shirt and green pants on and the Kari cam in her long brown hair touching the back of her pink dress. She smiled and sat down

the three terrors Flamespark seajewel and emeraldeye started screeching everyone thought they were chatting with each other

Merida walked in like she was half asleep"Morning sleepy" Hiccup smiled "A'm not in the mood Hic' I've ben havin nightmares and a' can't sleep" Merida kissed hiccup

"Ew mommy daddy not again!" said Cork and Millsa but Kari thought it was cute she hoped that she would find a nice husband. After a while snoggle tog came once again Hiccup and Merida saved the presents

that gobber gave them until the kids were older tomorrow was snoggle tog everyone was excited "Um..Hiccup?"Merida said"We have a small problem"Hiccup looked confused

"Whats wrong?"Merida pointed under the table and he saw toothless he shot Hiccup a gummy grin and came out from under the table.

Toothless made a odd sound and was very frightened he looked sleepy "Toothless you hungry?"he gave toothless a cod his favourite fish but toothless ran under the table

confused hiccup sat down he thought"Daddy?" asked Millsa "What is it sweet?" "I had a bad dream...and so did Cork" hiccup frowned "Is everyone having bad dreams?" Hiccup wondered.

night fall came and tomorrow was snoggletog hiccup had a dream that alvin trained a changewing and it hypnotised his family into leaving him

"Merida..." hiccup woke up to Merida packing her bags "A'y Hiccup...tha' spark is gone..."Merida shed a tear and picked up her bags.."Merida...you can't be serious..." Hiccup saw something in her eyes a swirl.

Merida went into the kids room and explained what happened and she went outside with the kids, hiccup followed "Merida please..."Hiccup was in tears "a'm sorry..." Merida got on her house"Dady...why do we have to go?"

said the three kids with the terrors on the shoulders "I...I don't know..."Sighed hiccup and His wife,His kids left him Merida convinced them to come with her and they all left.

Toothless came and comforted hiccup but he would not stop crying he saw then get on a boat with alvin he got onto toothless and followed them into a cave he heard alvin say "AWW Merida my little daring now that my changewing

hypnotised you and your kids YOU CAN BE MY BRIDE AND WE CAN TAKE OVER BERK...AND SCOTLAND!" Hiccup gasped and Alvin saw him

"WELL WELL WELL Hiccup thanks for joining the party very nice for you to join us" Hiccup looked shocked and he made toothless shoot a plasma blast at the changewing "Hic-cup?"Merida asked then she was forced back into her trance.

A whispering death burst out of the ground and alvin jumped on it hiccup saw a bite mark a night fury bite mark this was the dragon that toothless had a rivalry with he saw four black shadows stormfly and hookfang all tied up and out cold astrid

who was tied up next to snoutlout with there two kids back at berk with Gobber and now Hiccup thought about the nightmares everyone had

the because of the changewings ability to hipnotise poeple and how Hiccup had to fight his worst nightmare to save his friends and his family

Hiccup was shocked in fear and surprise his old rival was back and he frove in fear and so did toothless

"WELL YOU GONNA FIGHT? or do I have to use the changewing?" "You got me alvin..." and hiccup was hipnotised and so was toothless but then they both smiled "Good goody glad you joined us, boy"

Hiccup fell to the groun d and so did toothless hiccu opened an eye at toothless and so did the dragon they both winked and the went unconchuse...or did they?
